ARCHITECTURAL DESIGN WORKSHOP AND ACTION GUIDELINES
MILAN, NEW SPACES FOR THE TEMPORARY RE-USE

Seat: Facoltà di Architettura e Società, Politecnico di Milano / MM Piola

The workshop "MILAN, NEW SPACES FOR THE TEMPORARY RE-USE" will work on the develop of ideas, new strategies, on the space organization and management models of temporary use for 9 empty and under-used spaces, present on the territory of Milan, one space for each of the 9 zone/areas.

The workshop will be part of the international event "The temporary reuse days". In program rounds tables and thematic seminars dedicated to design tools for temporary reuse politics, DIY and no land consumption.

During the workshop, students will attend lectures and open debates from teachers and experts of the University of Milan and Internationals like, Janin Walter-Urban Catalyst of Berlin; Jaap Schoufour/ Hoofd Bureau Broedplaatsen Amsterdam; Patrizia Di Monte and Ignacio Gravalos- Gravalos di monte Arquitectos, Zaragoza , meetings and discussions with the Councillors and staff members of the Province and the Municipality of Milan, the local associations and inhabitants.

The nine spaces object of the workshop emerged from the *temporioso bike tours* and public meetings in the nine areas of Milan during the months of April-July 2012.

(9 spaces): Casello dazio Piazza V Giornate (Zona 1), ex Centrale Termica Parco Trotter (zona 2), ex studentato Rombon (zona 3), palazzine liberty 2,3,7 Viale Molise (zona 4), Mercato rionale Via Montegani (Zona 5), ex bagni pubblici piscina Argelati (Zona 6), ex palazzine Lido di Milano (zona 7), piazza Fabbrica del Vapore (zona 8), piscina Scarioni (zona 9).

24th september | 6 P.M.
